Re: Filing #: a35402

Dear Mr. Jones,

I object to and request a hearing regarding the application recently submitted by Transition Power Development LLC, Filing #a35402, for the following reasons:

- 1) The proposed use will interfere with more beneficial use of the water.
- 2) The proposed plan will be detrimental to the public welfare.
- 3) The appropriation will unreasonably affect public recreation.
- 4) The appropriation will unreasonably affect the natural stream environment.

5) This is ridiculous.
Sincerely,

Gregory H. Sayers
