BEFORE THE STATE ENGINEER OF THE STATE OF UTAH

In RE: Application for Permanent Change :
of Water #a35874 on water right 09-462 :
by Dee Holladay Owner/operator : PROTEST
In Emery County :

I. Introduction

Dee Holiday and Holiday Expeditions, Inc., hereby protest the Application for Permanent Change of Water a35874 by San Juan County Water Conservancy District ("District") on water right 09-462.

II. Protesting Party

Holiday Expeditions is a family owned and operated river adventure expedition company with licenses to operate on various sections of the Green, San Juan and Colorado Rivers. Holiday Expeditions has been family owned and operated for 43 years, and is dedicated to providing clients with outstanding whitewater, camping and interpretive experiences.

Legal Framework

Overview

Utah state law contains several requirements that a water application must meet in order to be approved; these are found in Utah Code Ann. §73-3-8 (1). If the State Engineer finds that the
